## NOTES

“Rank is maintained for 1 year from next April 1st each time rank is achieved” - column 7.

To clarify, the highest Seminar Rank achieved during the seminar year (April 1st to March 31st) becomes the Recognition Rank for the following year.

The Distributor improves her Seminar Rank during the year, so is the Recognition Rank improved from that moment.

At the end of the seminar year, the Seminar Rank achieved will be the Recognition Rank for the following year.

On the 1st April all Seminar Ranks return to “D” for “Distributor”, with the exception of those hoping to achieve their second consecutive month (column 5) in the April, in the expectation that the end-of-year Seminar Rank may be improved – and hence possibly the end-of-year Recognition Rank.

But if April does not provide the second consecutive month then the Seminar Rank returns to “D”.

The 300PV of both Distributor and Downline orders (column 4) are cumulative over the month, not a 300PV single order, for Rank eligibility.

\* The condition ‘Whole group downline in Seminar year achieve PV of’ 500,000 applies when the downline achieves this figure and the group sponsor is already a Princess, or achieves the rank of Princess during the year when the 500,000 PV are reached.

Recognitions of achievements and the issuing of Awards related to Rank Achievement will be made each year at Seminar.
