

LipSense® Moisturizing Tinted Lip Balm

LipSense Moisturizing Tinted Lip Balm nourishes and hydrates lips while also adding a gorgeous tint of color. With beneficial botanicals, vitamins, and anti-aging protection with SenePlex+ Complex, Tinted Lip Balm is the perfect lip product for a quick dose of color and moisture, for use on days when you're not wearing LipSense Long Lasting Lip Color.

The Science Behind the Product

LipSense Moisturizing Tinted Lip Balm not only looks beautiful on, as it provides a soft tint of color to lips, it is also hydrating and soothing.

Like the classic, clear LipSense Lip Balm, tinted shades are also blended with the finest moisturizers and lip conditioners to help alleviate dry, chapped lips. Tinted shades also feature a delicious, light vanilla scent. This multi-benefit, rich formula conditions and softens lips for your most gorgeous pout ever.

Key Benefits

- Beautifully tinted and provides rich moisture to lips
- Anti-Aging benefits with SenePlex+
- Formulated without gluten, parabens, and animal by-products

Key Ingredients

SenePlex+ Complex: Powerful proprietary complex that helps to reduce the signs of aging.

Cocos Nucifera (Coconut) Oil– provides rich moisture to lips.

Theobroma Cacao (Cocoa) Seed Butter- improves the consistency of emulsions and acts as a soothing barrier to the skin, which helps to preserve its moisture balance.

Butyrospermum Parkii (Shea) Butter: considered as a plant lipid. Lipids are the oil and fat components of skin that prevent moisture evaporation from the skin and provide lubrication to the skin's surface. Lipids are considered as a natural moisturizer.

Irvingia Gabonensis (Dika) Kernel Butter- a fat obtained from the kernels of *Irvingia gabonensis*, a mango-like tree native to Africa, that helps condition skin.

Vitamins A and E: helps to improve the appearance of skin firmness, aids in protecting skin from environmental factors.

Glycine Soja (Soybean) Oil: helps improve skin hydration and smoothness.

Hydrogenated Olive Oil: has a superior moisturizing effect on the upper layer of the skin.

Ricinus Communis (Castor) Seed Oil: fixed oil obtained from seeds of castor, it is used for its soothing properties to the skin.

Hydrogenated Jojoba Oil: this oil aids in the prevention of moisture loss.

Laminaria Digitata (Kelp) Extract- hydrates, helps protect, and softens the skin.

Saccharomyces Cerevisiae (Yeast) Extract- helps in moisture retention.

Corallina Officinalis (Seaweed) Extract: helps prevent and decrease signs of aging by hydrating and toning the skin.

Orchis Masculina (Orchid) Flower Extract- A plant native to the South Pacific, which has antioxidant properties.

Directions for Use

Apply to bare lips for a hint of color and rich moisture. Use as needed.
Tinted Lip Balm is not meant to be worn over LipSense Lip Color.
