

Normal to Oily SkinCare

Evening Moisturizer

Supremely refreshing and intensely hydrating, the Evening Moisturizer supports elasticity and firmness while refinishing the skin's surface to help reduce the appearance of enlarged pores. Defends against signs of aging to minimize the look of fine lines and wrinkles. Wake up to a refreshed and luminous complexion.

The Science Behind the Product

Our skin needs oil to moisturize and preserve it. People with oily skin tend to have fewer wrinkles. The downside to oily skin is that it leads to breakouts and a greasy complexion. Oily skin occurs when the skin's sebaceous glands produce an abundance of sebum, or oil.

When functioning properly, the skin is in a constant state of recovery. With increasing exposure to sun, and environmental stress our skin goes through accelerated keratinization, which increases dead skin accumulation in the upper layers of the skin. At night, your body enters its natural repair mode, making it the perfect time to protect your skin from dehydration and maximize the beneficial active ingredients in your skincare products.

The Evening Moisturizer is formulated with our exclusive SenePlex+®, orchid stem cells, phospholipids, peptides, and purified oligosaccharides from Nopal (Prickly Pear) that retains hydration and helps defend against signs of premature aging.

Orchid Stem Cells helps improve the appearance of sagging and drooping skin for a more contoured and lifted appearance.

A tobacco plant derived retinatural complex (ReneSeed™) helps improve the appearance of fine lines, wrinkles, uneven skin tone, texture and radiance.

A vegan, plant-based blend of phospholipids, fatty acids, and phytosterols support skin's natural barrier function. When skin has the strong barrier, it retains hydration and defense against irritants.

Key Benefits:

- Hydrates and helps to balance moisture
- Mattifies skin to help reduce shiny T-Zone
- Helps to minimize irritation that can peak at night
- Helps to refine texture & minimizes the appearance of enlarged pores
- Helps to promote a firmer and lifted appearance
- Helps to minimize the appearance of fine lines and wrinkles
- Helps to brighten and even skin tone for a luminous complexion
- Provides antioxidant protection from skin-damaging free radicals
- Formulated without Animal by products, Parabens, Gluten, Mineral oil, Sulfates
- Dermatologist Tested
- Non-comedogenic

Key Performing Ingredients

SenePlex+® Complex: Helps restore the youthful appearance of skin while minimizing signs of aging.

Orchid Stem Cells: Helps improve the appearance of sagging and drooping skin for a more contoured and lifted look.

Canadian Willowherb: Manually harvested by local communities in the northern Canadian Prairies. Willowherb extract has natural properties, perfect for soothing and calming irritated skin.

ReneSeed™: N. Benthamiana derived from tobacco plant helps improve the appearance of fine lines, wrinkles, uneven skin tone, texture, and radiance.

A vegan plant-based blend of **phospholipids, fatty acids, and phytosterols:** Intensely hydrates to support skin's natural barrier function.

Miracne: A 3 in 1 multifunctional ingredient that helps to reduce shiny T-Zone, soothe the skin, and minimizes the appearance of blemishes.

X50™ Pure White: Encapsulated glycolic and lactic acids innovatively delivered to reduce irritation; help to even skin tone for a brighter, more luminous complexion.

Prickly Pear Flowers (Exfolactive SP): Derived from an organic supply chain of nopal cacti (also called prickly pear) flowers. Hydrates to support the skin's moisture barrier for a more radiant complexion.

Antioxidant Blend: Rice bran, rosemary, sunflower extracts, and tocopherol provide antioxidant benefit to help protect against skin-damaging free radicals.

MARSturizer™: A bacillus ferment obtained from an acidophile microorganism sampled from Rio Tinto (Red River), Spain. Rio Tinto is called by Astrobiologists, "Mars on earth" due to its similar extreme surface conditions. MARSturizer gives hydration effect and helps to minimize water loss. MARSturizer helps to give skin a firmer-looking appearance and helps improve skin radiance.

Sodium Hyaluronate: Offers superior hydration by drawing in moisture to deeply hydrate and plump skin.

Directions for Use

Thoroughly cleanse the face with 3 in 1 Cleanser. Apply any treatment(s) prior to Evening Moisturizer. Apply generously to face and neck.
