

Advanced Hydration Body Lotion

The finest in skincare for your body, this rich cream delivers intense, advanced moisturization with ingredients like shea butter, ceramides, French plum oil, Nangai oil, and delivers anti-aging benefits with SenePlex+® for your smoothest, softest skin yet.

The Science Behind the Product

Advanced Hydration Body Lotion delivers the same anti-aging and moisturizing benefits to the skin on your body as SeneGence SkinCare delivers to facial skin. This body lotion is a rich, non-sticky cream that delivers intense, advanced moisturization and anti-aging benefits. It helps to firm and

brings vibrancy to your body's skin, which is exposed to daily environmental stresses.

Advanced Hydration Body Lotion offers intense moisturization with the help of added ceramides. Ceramides are naturally occurring lipids that make up over 50% of our skin's composition. They serve an important role in the structure and help protect the skin barrier from moisture loss. With age and environmental exposure, our skin experiences a steep decline in ceramide levels, causing it to look and feel dry, dull, and cracked.

Our body lotion includes ceramides to help enhance the skin's barrier and prevent precious moisture from escaping. The addition of rich moisturizing shea butter, hydrating Nangai, Jojoba, and French Plum Seed oils, Sodium Hyaluronate, and botanical antioxidant extracts lock in even more hydration and help protect skin from drying out.

Key Ingredients

Ceramide NP: an exceptionally pure ceramide containing a structure identical to that found in the human skin. Helps reinforce the natural lipid barrier of dry and aging skin to help maintain skin's moisture balance.

Shea Butter: Shea Butter is considered a plant lipid. It is very effective as a skin moisturizer and helps to prevent moisture loss.

Nangai Oil: A natural oil derived from the Nangai nut that deeply hydrates and soothes skin.

French Plum Seed Oil: helps to nourish, moisturize, and improve skin elasticity. It has a light texture and non-greasy, quick absorption.

Jojoba Seed Oil: acts as a moisturizer and emollient agent to help improve the skin elasticity and suppleness.

Antioxidant Blend: Including Rice Bran Extract, Rosemary Leaf Extract, Sunflower Extract, and Vitamin E to help condition and protect skin from environmental stresses.

Sodium Hyaluronate: Helps to restore the skin's moisture, promoting a more revitalized and youthful-looking complexion.

Triglycerides: Essential fatty acids that help enhance your skin's ability to retain moisture.

Blend of Glucosamine HCl, Pea Extract and Bamboo Extract: a synergistic complex that helps improve collagen and aids in skin elasticity.

SenePlex+: Powerful proprietary complex that helps reduce the signs of aging.

Directions for Use
