

## Hand Cream

This rich hand moisturizer is packed with ceramides and emollient rich shea butter to soothe, and botanical oils and extracts to condition hands while leaving no greasy feeling behind. SenePlex+® delivers anti-aging benefits with for soft, smooth, and hydrated hands.

### The Science Behind the Product

SeneGence Hand Cream is richly moisturizing while feeling light on your hands. It is non-sticky and delivers intense, advanced hydration and anti-aging benefits to hands. It helps to restore moisture and protect from moisture loss that your hands experience throughout the day from environmental stressors, natural

elements, and daily activities like hand washing.

Our Hand Cream offers intense moisturization with the help of added ceramides. Ceramides are naturally occurring lipids that make up over 50% of our skin's composition. They serve an important role in the structure and protect the skin barrier from moisture evaporation. With age and environmental exposure, our skin experiences a steep decline in ceramide levels, causing it to look and feel dry, dull, and cracked.

Hand Cream includes ceramides to help enhance the skin's barrier and prevent precious moisture from escaping. The addition of rich moisturizing shea butter, hydrating Nangai oil, Sodium Hyaluronate, and botanical extracts lock in even more hydration and help protect hands from drying out.

### Key Benefits

- Works to hydrate, condition, and rebalance the moisture of hands.
- Helps protect hands from drying out from hand washing.
- Formulated with ceramides, shea butter and botanical oils and extracts for unparalleled moisture deliverance.
- No added fragrance
- Dermatologist tested and safe for all skin types.

- Formulated without: Gluten, Parabens, or Animal By-Products

## Key Ingredients

**Ceramide NP:** an exceptionally pure ceramide containing a structure identical to that found in the human skin. Helps reinforce the natural lipid barrier of dry and aging skin to help maintain skin's moisture balance.

**Shea Butter:** Shea Butter is considered a plant lipid. It is very effective as a skin moisturizer and helps to prevent moisture loss.

**Nangai Oil:** A natural oil derived from the Nangai nut that deeply hydrates and soothes skin.

**Sodium Hyaluronate:** Helps to restore the skin's moisture, promoting a more revitalized and youthful-looking complexion.

**Triglycerides:** Essential fatty acids that help enhance your skin's ability to retain moisture.

**Aloe Vera Leaf Juice:** Calms, soothes, and moisturizes skin.

**SenePlex+:** Powerful proprietary complex that helps reduce the signs of aging.

## Directions for Use

Apply liberally and as frequently as desired to moisturize hands.
