# DETOXIFYING OXYGEN FACIAL MASK

A gel-to-foam oxygenating mask that boosts skin's luminosity and re-vitalize tired skin in just minutes!

Detoxifying Oxygen Facial Mask deep cleanses, exfoliates, purifies, and revitalizes to leave skin looking radiant. Clinically proven to provide immediate deep hydration that lasts up to 72 hours. \*

Formulated for all skin types to improve clarity, luminosity, and radiance.

Detoxifying Oxygen Facial Mask helps lessen the look of fatigued skin. It works to provide tired, dull, lackluster skin with a revitalized, illuminated, re-energized appearance.

This high-performance formula is truly a unique sensorial experience. The silky emulsion transforms into tiny bubbles on the skin (due to a special oxygenating process) to create a veil of foam. The frothy oxygen bubbles deep cleanse impurities from the skin with kaolin clay, while fruit-derived alpha hydroxy acids gently exfoliate the skin to boost luminosity. Rhodiola extract in the formula supports the skin's natural defenses against harsh elemental exposure while the super food dragon fruit extract delivers skin-loving nutrients, vitamins, and minerals to help nourish the skin. Let the blend of lavender, cedarwood, rosemary, sage, geranium, and marjoram oils enhance your aromatic experience!

## KEY INGREDIENTS

**SenePlex+® Complex:** Powerful proprietary complex that helps reduce the signs of aging.

**White Clay:** Kaolin clay helps remove impurities and absorb excess oil.

**Rhodiola Extract:** Supports the skin's natural defenses against harsh elemental exposure and helping to maintain a balanced look.

**IBR Dragon:** The super food dragon fruit extract contains skin beneficial nutrients, vitamins and minerals that help to hydrate and nourish the skin.

**Exfolactive SP:** Derived from an organic supply chain of nopal cacti (also called prickly pear) flowers. Promotes surface skin renewal and leaves the skin smoothed and hydrated, with a more radiant and even-looking complexion.

**Pentavitin:** Helps to deeply hydrate the skin.

**Detoskin:** Obtained from the flower peony, it helps to cleanse leaving skin rejuvenated.

**DL Fruit Acids:** Naturally derived alpha hydroxyl acids from bilberry, sugar cane, orange, lemon, and sugar maple extracts help to exfoliate the skin.

**Botanessential RRST:** A complex of rice bran extract, rosemary extract, sunflower extract and tocopherol provide antioxidant benefits.

# DIRECTIONS FOR USE

Apply a generous, even layer onto a clean, dry skin avoiding the eye area.  
Leave on for three to five minutes, allowing the oxygenating bubbles to fully activate. Massage the bubbles for gentle exfoliating action and rinse off with warm water or a damp washcloth.  
Use 2-3 times a week or as desired.

Avoid direct contact with eyes.
