

Rejuvenating Anti-Wrinkle Serum

Rejuvenating Anti-Wrinkle Serum is a high-performance serum that targets the appearance of fine lines and deep wrinkles. It targets the frustrating signs of aging including expression lines around the eyes, mouth, and forehead.

The Science Behind the Product

Rejuvenating Anti-Wrinkle Serum is formulated to provide a firmer-looking and lifted appearance within 1 hour of application, while helping to reduce the frustrating signs of aging around the eyes, mouth, and forehead with continued use. Clinically studied actives Neodermyl® and SYN-STAR® target the appearance of fine lines and wrinkles while the film former, Liftonin®-Xpress, provides a lifting and tightening effect within 1 hour of application.

Clinical results showed a single application of Rejuvenating Anti-Wrinkle Serum visibly improved the appearance of skin firmness by 33.3 % after just 1 hour. *

After six weeks, Rejuvenating Anti-Wrinkle Serum reduced the appearance of fine lines & wrinkles around the eyes (crow's feet) by 48% and around the mouth (nasolabial folds) by 64%! **

Proven Results: Skin feels firmer, looks more lifted and defined within one hour. The appearance of fine lines and wrinkles are dramatically reduced with continued use.

**Results measured by expert graded observation compared to baseline after 1 hour post a single application of Rejuvenating Anti-Wrinkle Serum.*

***Clinical results measured by VisioScan compared to baseline after 6 weeks of using Rejuvenating Anti-Wrinkle Serum in the am and pm.*

Percentage of women noticing an improvement in the appearance of:

Based on an Independent Consumer Study conducted on 33 women ages 30 to 70. The percentage reflects the number of women who agreed with the statement.

Percentage of women noticing a reduction in the appearance of:

Based on an Independent Consumer Study conducted on 32 women ages 30 to 70. The percentage reflects the number of women who agreed with the statement.

Key Performing Ingredients

SenePlex+® Complex: Powerful proprietary complex that helps reduce the signs of aging.

Neodermyl®: A methyl glucoside phosphate proline lysine copper complex that helps reduce the appearance of wrinkles; supports skin's elasticity and texture for a supple & firm appearance.

SYN-STAR®: Helps to visibly reduce the appearance of wrinkles around the eyes, mouth, and forehead.

Liftonin®-Xpress: A film former derived from red algae that helps to provide tightening and lifting effect. It helps diminish the appearance of wrinkles within one hour of application.

Avocado Oil: A moisturizer that has beneficial fatty acids that nourish-skin, while creating a protective barrier.

Squalane: Prevents moisture loss while restoring the skins suppleness.

Radish Leaf Extract: Helps to hydrate skin to fight dryness.

Glycerin: A humectant to help with skin moisturization.

Directions for Use

Following cleansing, apply 1-2 pumps twice a day concentrating on the mouth, eye, and forehead areas.

Follow with DayTime or Evening Moisturizer.

FAQ's

Who should use it?

Rejuvenating Anti-Wrinkle is powerful for targeting fine lines and deep wrinkles especially around the eyes, forehead, and mouth. It helps with firmer-looking and lifted appearance within 1 hour of application. It is suitable for all skin types.

How long does the tightening and lifting effect last?

It lasts for several hours.

How is it different from Advanced SenePlex+ Renewal Serum with Retinol?

Rejuvenating Anti-Wrinkle Serum helps revitalize skin's own anti-wrinkle defenses to reduce the look of lines and deep, stubborn wrinkles around especially around the eyes, mouth and forehead. It is suitable for all skin types.

SenePlex+ Renewal Serum with Retinol is a potent skin renewal serum that helps promote youthful skin. However, retinol is also known to cause sensitivities such as dryness, redness and flaking in sensitive skin types. Both products have a place in your skincare regimen, and can be used together.

Can you describe the fragrance?

The fragrance is a light, floral blend of orchid and lotus.

Where does it fit in the SeneGence Skincare Regimen?

In the AM and PM, after Climate Control, apply 1-2 pumps of Rejuvenating Anti-Wrinkle Serum.

How long will a bottle last?

One bottle of Rejuvenating Anti-Wrinkle Serum will last you up to 1 month if used twice daily, at 1-2 pumps per application. How long your product last will depend entirely on the amount and frequency of use.
